

## Resilient enough for hospitals, ideal for kitchens

Providing years of use and beauty, DAGIGA PRESSED thermofoil delivers healthcare quality that exceeds kitchen grade standards.

Typical Competitor:

DAGIGA is a 10-year-old company, proudly Canadian, with a team that has over 30 years of experience in designing and manufacturing #1 healthcare grade thermofoil components for residential, commercial and medical markets. We deliver premium quality thermofoil products, without premium pricing, with fast delivery turnarounds and exceptional customer service.
